### Make Vacation Affordable With Your Credit Union Loan

Nothing kills a post-vacation buzz faster than the arrival of your credit card bill that you know you can't pay off. This year, use a vacation loan from the credit union to finance your fun. You can still use a credit card, but rather than carrying a balance at a high-interest rate, use your vacation loan funds to pay it off

by the due date. Start by setting up a spending plan for your travel and entertainment expenses. Planning ahead also can save you money: Use websites such as [kayak.com](http://kayak.com), [expedia.com](http://expedia.com), [retailmenot.com](http://retailmenot.com) and others to search for bargains. Remember, not all airlines or hotels will be listed there, so check those individual websites as well. Once you've determined your budget, contact the credit union about your vacation loan. Sign up for automatic payment so you never have to worry about missing a payment due date. Then relax and enjoy your time off knowing that you've got your vacation covered. Full-time employees who qualify can borrow up to \$3000. with a two year repayment plan. Interest rates are as low as 8.9%.

### Credit Union Vehicle Loan May Lower Your Rate with Second Chance Financing!

Everyone deserves a second chance. So if you financed your vehicle elsewhere, we'd like to see if we can lower your interest rate with a credit union loan. Or maybe you want to shorten the term in order to pay off your loan earlier, or lengthen it to lower your monthly payments. We want to help you with a loan that fits you like your driving gloves. Contact the credit union to find out just how easy refinancing can be.

And if you're in the market for new wheels, stop by the credit union for a pre-approval. That way you can shop like a cash buyer, getting the vehicle you want. Remember, special financing offers often only apply to less-popular models and "not all buyers will qualify." That means only those with pristine credit are eligible. At the credit union, we'll work with you to put you in the driver's seat.

## Savings Club Can Make Vacation Dreams Come True

If you're dreaming of a special vacation, but don't think you can afford it, join the club - the Vacation Club at the credit union, that is. Money experts agree that earmarking funds is one of the best ways to save. Make it easy by using payroll deduction or an automatic transfer to regularly add money to the account. What you don't see, you don't miss.

Get the whole family involved, too. Have the kids decorate a box or jar with images of your vacation destination. Then use it to collect spare change as well as discretionary funds - money saved by eating in and renting or streaming a film instead of going out for dinner and a movie. Periodically, take the money and deposit it in your Vacation Club account at the credit union. Working together to save for your vacation will make playing together even more fun.
